**Accommodations**: Moderate.

**Foods** : Pure.

**Venue** : The hall was in the third floor in one enough old Venue, with many problems in the lighting, in the clean and waste. Without elevators and there was helper that they help he players to moved. The layout of 14 tables in the venue is not correct for the dimension of this venue. The layout of 12 tables are better,

**Equipment**: All equipment was very old and with many destroyed, special the tables. I think that in the future must changes.

**Referee**: Good work

**Deputy referee**: Good work.

**Information**: There were 1 points for information's.
