

RANKING DEFAULT POLICY FOR NO-SHOWS

PRINCIPLE:

When a player does not show up for a competition or for a match, the player will be penalized by a flat 35 penalty points per "no-show" per event in a Tournament.

The "no-show" will start directly after publication of the player's list on our ITTF PTT web site.

This would, however, affect only the first non-played match scheduled for that player within each event of the tournament (single and team events).

The flat 35 penalty points remain valid for a period of 15 months from the date of implementation.
