

Paralympic Games Rio 2016

Information with regard to Therapeutic Use Exemption (TUE) Process for Players participating at the Paralympic Games

As of 1st August 2016, all participating Players are considered “International-Level Athletes” by IPC, whatever their status within ITTF and their National Anti-Doping Organization (NADO).

Therefore, as of this date, ALL participating Players must apply for TUE to the IPC Medical Committee.

Further information on the IPC TUE process and IPC TUE application form can be found on the IPC website:
