**Suggestion for the future:** Have a tournament another time of the year. It was sometimes very hot in the venue and it also dropped little from the roof when it was raining.  
Have a solution for food for everyone even late at night when arriving.  
The change of the balls after the Prospectus must be sent out to all nations.  
Keep the farewell party at the hotel to avoid a lot of bus rides for the players.  
Always keep the best for the players in mind.

**Conclusion:** The tournament was organized well. The organizers were very dedicated. There were some issues but overall everything was good.
