**PARALYMPICS ATHENS 2004**

**Regional and Ranking Selections – Procedure**

**1. Comments**

- a) In case an athlete / NPC do not accept the selection of a Regional Winner or Medallist for any reason, the next medallist finisher takes the Regional Slot.

Example : if the Regional Winner in the Pan-Am Championships – men 6 , did not accept the selection, he would be replaced by the Silver Medallist in the Pan-Am Championships – men 6.

**This is possible until JANUARY 30<sup>th</sup>, 2004.**

**After that date, all selected Regional Slots that are rejected shall be replaced by an Alternate Player in order of ranking.**

- b) If medal winners are missed because no Regional Championships was organized, or an event did not have enough minimum entries, all those slots are converted into Ranking Slots and the respective Alternate Players are moved up in order of ranking.
- c) If in the Ranking allocations, some players are rejected by their NPC, the Alternate Players go up in order of ranking.  
A NPC have **NOT** the right to replace a ranking selected athlete, **each athlete is selected for himself.**
- d) The selections are based on the single event's rules.

**That means that only the three best ranked players from a same country can be selected !**

## **2. The Entry Forms**

**Each Entry Form must be completed and signed by the NPC's Secretary General or Chairman.**

- a) NPC data base : Entry Form 1 - NPC data base
- b) SINGLE pre-selections : Entry Form 2 – acceptance or rejection !
