The ambulance car and crew of the ambulance were in the hall the whole time of the tournament.

Evaluation : The 7th Trofeo del Mediterraneo was in 2004 very small tournament, but the level of organisation was very good. The sport level of the tournament was well-seeming too. As well as the Catania tournament, the OC of 2005 tournament in Agrigento will have to be prepare for much bigger number of players, therefore it will be the last tournament of standing, before WRL of selection of WC 2006.
The new OC, which organized the tournament this year will be able to manage it really well, but will be necessary to change the hall and maybe the number of playing days.

In conclusion : I would like to compliment Organizers. I knew some older tournaments in Agrigento and I can tell, this one was really well organized, with all of necessary condition for the good IPTTC tournament. I wish OC to go on in the same way in the next years too.
