Re: Players of the Years Awards for 2005

I would like to inform you that the International Paralympic Table Tennis Committee (IPTTC) has introduced the above awards for the year 2005, the regional championships year.

The Awards will be for

- Men Wheelchair Player of the Year**
- Women Wheelchair Player of the Year**
- Men Standing Player of the Year**
- Women Standing Player of the Year**

Winners of the above awards will be assessed in their Performance, Sportsmanship and Improvement over past years. For the 2005 as we are only in the middle of the year, we will depend on performance of players which will include ranking they have achieved as from January, and also sportsmanship as displayed in the Championships. According to the rule, all coaches will also have a vote for the players of their choice. The regional officers will participate in the election by assessing all the votes and see if some players not good enough in sportsmanship.

A voting paper for all players and coaches of participating teams will be delivered through the Team Manager, and the deadline of collection will be **before 12:00 noon on 23rd June. All Teams are to return voting papers through their Team Manager.**

Enclosed is the Voting Paper and the Players List for your reference. For performance of players, please refer to the results sent to teams over the past 4 days.

Thank you for your attention and look forward to receiving votes from your teams.
