Evaluation : Accommodations : good **BUT** in this kind of bungalows, no more than 2
Comments : wheelchairs is possible
Transport : good – **BUT** be careful on arrival about the waiting
time (only one problem)
Meals : very good – **BUT** you have to foresee a meal for teams
with late arrival and not only a small sandwich.
Venue : nice venue, good lighting, optimal arrangement of the
20 tables – **BUT** one accessible toilet for wheelchairs
is not enough !!!
Tables : 20 accessible for wheelchair users **BUT** for a next
tournament, the best is to use ITTF approved tables
Umpires : 28 Umpires with the exceptional presence of Cindy
Leung from HKLG helping on the Referee's jobs.
Thanks Cindy.
Referee : with experiences in ITTF and IPTTC organizations
BUT for a next organization, don't forget with the
Tournament director to foresee the time schedule to
the end (included ¼ - ½ and finals – players were
waiting 3 hours before to start the second stage of the
team events !)
Deputy Referee : good professional work with all umpire's
responsibilities
Computer : very good professional work !
Organization : good organization **BUT** think about the comments
about the accommodations, transport, tables, meals on
arrival, accessible toilets **AND** for a next edition don't
forget to inform the participants in the general
information that there are NO towels and soap in the
bungalows. To offer two towels to each participants
was a good idea.
