Airport: Gwangju has an airport approximately 15 minutes from the proposed main hotel and from the competition venue. Many teams will arrive at Incheon International Airport (Seoul) and have to transfer to Gimpo (domestic airport also in Seoul) via a 30 minute train ride or bus service from Incheon to Gwangju

Accommodations: Ramada Plaza Gwangju Hotel
Prado Hotel
Mudeung Park Hotel
Shin Yang Park Hotel
GJ Green Hotel
Gukjae Hotel

The three first hotels were checked during the inspection, the three other were added by the OC as all the rooms in the three first hotels were not 100% available.

Breakfasts were taken in the hotels, lunches and dinners were foreseen in the third floor of the competition venue.

The food was good but all three days, the same menus were coming back, true that it was difficult for a Korean catering to foresee Eastern and European food every day.

Transport from / to airport / Hotel /Venue:

Was well organized with buses starting from each Hotel.

Some small problems when late matches after foreseen timing !

Venue: YEOMJU SPORT COMPLEX

Big venue with full accessibility for wheelchair users
Good lighting
Enough spectator seats
4 accessible toilets for women + 4 accessible toilets for men + enough toilets for able bodied
Some small air conditioning problem when working in each corner.

Practice venue : Bitgoel Sport Complex in front of the venue
2 accessible toilets inside + 2 accessible toilets Outside.
15 accessible tables - 12 used for the warming up
Players computer room with internet access
