Name of the National Association (Organiser)	National Paralympic Committee of Indonesia with the cooperation of the Indonesian Asian Para Games Organising Committee (INAPGOC) and under the auspices and authority of the International Table Tennis Federation and the Indonesian Table Tennis Association
Chairperson of the Organizing Committee	Mr. Taufik Yudi M.
Dates of Play	01 to 03 July 2018
Name of Site Inspection Delegate	Cyril Sen
Date of Inspection	27 th & 28 th March 2018
Report submitted to ITTF	

Situation	Weather in July
	Temperatures are expected to range between 23° and 32° Celsius
	No rain is expected during this period.
	History
	Jakarta is the capital city of the Republic of Indonesia, a country
	composed of more than 13,000 islands with a population of over 180
	million. Comprising more than 300 ethnic groups speaking 200
	different languages, the Indonesia population exhibits marked diversity
	in its linguistic, culture, and religious traditions. As the Capital City,
	Jakarta, with a population of 20 million, is a melting pot of
	representatives from each of these ethnic groups. From the Capital
	City, sophisticated land, air, and sea transport is available to the rest of
	the country and beyond. It is a gateway to other tourist destinations
	such as Java, Sumatra and Bali in Indonesia.

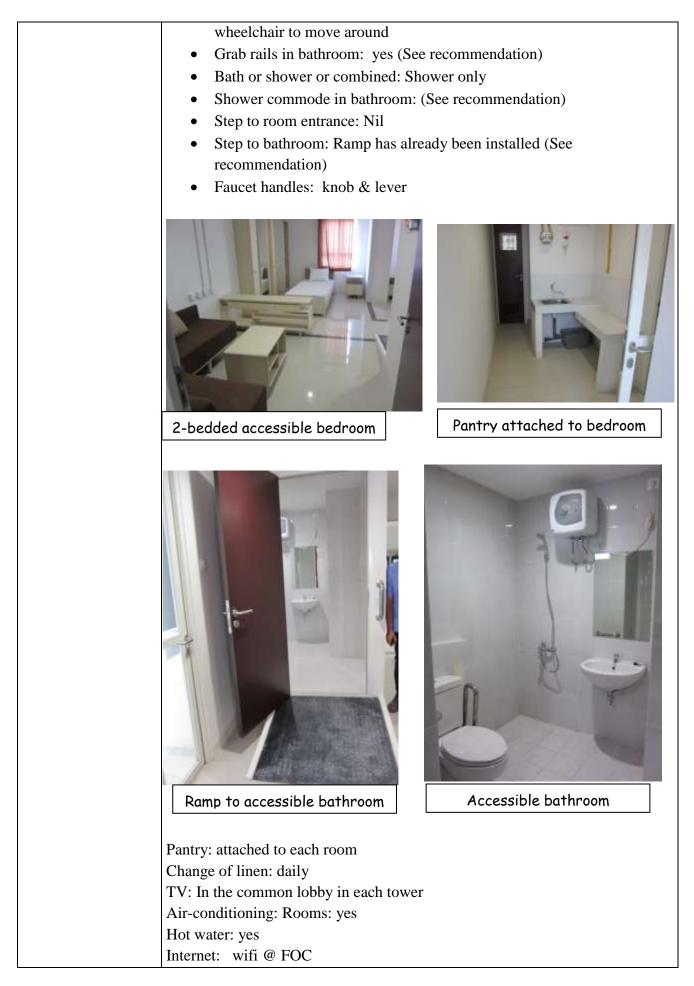

Airport	Number of airports:
	Soekarno–Hatta International Airport, Jakarta (CGK)
	Special lanes will be provided from arrival through immigration and
	customs.
	Accessibility: is good with Terminal 3 being a new terminal catering well for
	those requiring the use of wheelchairs.
	Distance:
	From Accommodation: approximately 30km
	From Venue: approximately 30km
	• To avoid long travel times because of the traffic jams, police out-riders
	will be used

Airport – Athletes' Village
Schedules: Will be designed to not require arriving personnel to wait for more
than 45 minutes after exiting the Arrival Hall.
Number of vehicles: 3 x MPVs and 3 different types of buses. Sufficient
vehicles will be provided to meet the needs of the arriving and departing teams
and officials.
Accessibility: A mixture of accessible and regular vehicles will be available.
Athletes' Village - Venue
Approximately 14km distant.
To avoid long travel times because of the traffic jams, police out-riders will be
used.
Teams
Schedules: 30 minute intervals and as required according to the schedule of
play.
Number of vehicles: as required by the number of teams and team officials to

be transported. Additionally, T1 and T2 vehicles will also be made available for selected officials
Accessibility: A mixture of accessible and regular vehicles will be available.
<i>Match Officials</i> Not required as they will be accommodated in a hotel which is a 5-miinute walk to the venue.
Emergency
Ambulance: accessible ambulance with ICU facilities will be on standby.

Accommodation	Teams, team officials and NTOs will be accommodated at the Athletes'
Accommodation	
	Village in Kemayan, Jakarta comprising of 7 towers being built for the Asian
	Games and Asian Para Games. For this event, which will be a test event with 4
	other sports, 2 accessible towers will be made available, viz. Towers 3 & 4.
	In each of these towers, Levels 4 to 10 will have accessible facilities and
	rooms with a total of 200 accessible rooms per tower, and approximately
	another 1100 rooms for others. Levels 1 to 3: public areas.
	Wheelchair players will be provided with a single room each, and for those
	that require an assistant, an additional bed will be made available in the room.
	<image/> <image/> <image/>
	Match Officials:
	 ITOs will be accommodated at a 4.5-star hotel (proposed: Mulia Hotel) a 5-minute walk from the venue. I did visit this hotel the last time I was there in December 2017 and found it to be a good hotel worth its 4.5- star rating.
	Accessibility
	• Width of entrance passage/door to bedroom: 86cm
	 Width of bathroom door: 76cm. (See recommendation)
	 Width of access to shower: open space with sufficient space for

• Width of access to shower: open space with sufficient space for

	Committee.

Experience in	As this event is being organised as a test event for the 2018 Asian Para	
organising events	Games (APG), there is full participation by the Ministry of Sports, the NPC	
	and the ITTA incorporating the full participation of all divisions of the APG.	
	Some events organised in the past by one or more parties:	
	 2017 SEATTA Championships 	
	 2016 1st Indonesia Para Table Tennis Open 	
	 2014 ASEAN University Games 	
	 2011 Solo ASEAN Para Games 	
	 1962 Asian Games 	

Organizing	Structure of the organizing committee:	
Committee	Chaired by INAPGOC. Members are from the relevant Ministries, NPC and	
	the Indonesian Table Tennis Association.	
	Link to the National Association: The Indonesian Table Tennis Association is a co-organiser of the event	
	Link to the NPC: The NPC is a co-organiser of the event. The Competition	
	Manager is from the NPC.	

Budget	Income is from the government as it is a test event for the APG, and also from	
sponsors.		
	Expenditure including the Sanction fee, Capitation fees and Daily allowances	
	will be paid according to the regulations.	

Support	Well supported by the national government, local authorities, NPC, NOC and	
	some sponsors as this is a test event for the APG.	

Entertainment	Consideration is being given to organise a short sightseeing tour of Jakarta	
	city.	

Recommendations	 That: 1. This event be approved at Fa20 2. That a local Asst. TD be appointed to enable the transfer of knowledge.
	Besides the above, that the LOC consider the following recommendations:
	Sports Venue:
	• Playing Halls at Levels 2 & 5:
	 To cover light ingress through slots in walls (along walls, below roofing)
	• Training area : to cover large glass panelling (wall) with cloth/banners
	• Seating at Levels 2 & 5: to remove some single-seating chairs to make

-	space for wheelchairs	
• Lightin	0	
0	Training area: to add lighting as discussed to increase	
	brightness to > 600 lux and to have it spread evenly over the	
	whole training area	
0	Playing Halls: to add lighting as discussed to increase	
	brightness to > 800 lux and to have it spread evenly over the	
	whole playing areas	
• Prayer	rooms for men and women at Level 4:	
0	To partition for male and female	
Athletes' Vill	Athletes' Village:	
Bathro	om:	
0	Current width of door = 76cm.	
	• To remove door and frame and replace with curtain = 89	
	cm.	
0	Shower commode in bathroom: To provide for each accessible	
	bathroom	
0	Grab rails in bathroom: as agreed, to install along shower	
	walls.	
0	Ramp to bathroom: to install rail on either side of ramp	
Social	areas:	
0	Sitting room furniture to be provided in main and minor lobbies	
• Entran	ce to Tower Lobby:	
0	To install low ramp	
Volunt	ieers:	
0	To station volunteers at ramp leading from each Tower to the	
	Gardens at Level 1 as the somewhat-spiral ramp is too steep for	
	a wheelchair user to manage him/herself.	
Transport:		
Airpor	t to Athletes' Village (AV) and AV to Venue:	
0	To consider the need to increase the number of vehicles taking	
	into account the cycle time for each trip is approximately 2	
	hours.	
Sightseeing:		
To con	sider the possibility of offering this complimentary service
