Site inspection Czech Open 2011

The site inspection for Czech Open 2011 was done by Øivind Eriksen Saturday 18th September 2010.

The organizing committee was represented by Mr. Jiri Danek.

Czech Open 2011 will be organized 7th – 11th September 2011 in Ostrava, Czech Republic. All classes 1 – 10 will be played.

The venue for Czech Open 2011 is, as in Czech Open 2009, the Sport Hall of TJ Mittal Ostrava. Two halls within the Sport Hall of TJ Mittal Ostrava will be used for the competition, one hall with up to 12 tables for classes 1 – 5, and one hall with up to 9 tables for classes 6 - 10. A third hall in the Sport Hall will be used for practice with 6 tables. The web address of the Sport Hall is www.tj-mittal.cz. 2 - 5 accesible toilets for wheelchair users are inside the sport venue. If necessary mobile toilets will be placed outside the sport venue.

2 hotels will be used. Harmony Club Hotel, previous also used during Czech Open 2009 (only standing classes that time). The web address is www.harmonyclub.cz. The distance to the venue is approximately 800 metres.

The other hotel is Park Inn, a quite new hotel, with up to 185 rooms. The web address is www.ostrava.parkinn.cz. It is also almost “walking distance” to the venue, approximately 1 km.

Transport between airport – hotel and hotel – venue will be done by buses and mini-buses suitable for wheelchair transport.

Plan for the tournament;

6. – 7.09.2011	Arrival
7.09.2011	Classification
8. – 10.09.2011	Tournament
11.09.2011	Departure

Breakfast will be served in the hotels, and lunch/dinner in the venue. Ballboys, volunteers and umpires will be provided.

Contract between PTTD and the organizers will be made.

The organizers are experienced organizers, and when the venue, the hotels and other preparations (transport etc) looks good I am very confident that Czech Open 2011 has every possibility to be a success.
