RE: possible footage request for the 2014 ITTF PTT World Championships

Dear Colleagues

As we fast approach the PTT World Championships to be held in Beijing from 6 to 15 September 2014, the PTT Division would like to gauge the level of requests for footage from the event. In order to assist us, please could you complete the form using Google docs by 15 February 2014. We understand that the details of the scheduled are not yet published and that selections are in process. However, it will assist us in gauging the demand so that we can plan and see what we are able to deliver.

Click on this link to go to the form to be completed online:
